Hot Noodles Song

by AtticusCrete

Summary

So, in "hot noodles wait for no one" a nurse is humming and singing to herself while she sorts things out in Hannibal's hospital room. I couldn't decide what she was singing. So DaringD suggested it was Taylor Swift and "shake it off" right? Right.

Here's the Hannibal version.

I have no excuse.

I stay out too late, got nothing on my plate.
Will Graham is great. (But) I can't get a date (no-o)
I cook far too many pies, I tell many lies,
That's what Crawford says (yummm), that's what Crawford says.(nom nommm)

But I keep plotting,
Can't stop, won't stop garrotting.
It's like I got this dinner in my tum,
Saying this is such a lotta fun.

Cause the Feebies gonna look, look, look, look, look
And Hanni's gonna cook, cook, cook, cook, cook
Willy I'm just gonna bake, bake, bake, bake, bake
bake it off, I bake it off
The Ripper's gonna rip, rip, rip, rip, rip
And the shippers gonna ship, ship, ship, ship, ship
Willy I'm just gonna bake, bake, bake, bake, bake
bake it off, I bake it off

I never miss a pun, (yummm) it's cannibaling fun
and that's what they don't see, (I'm) mainlining glee (yummm)
I'm killing on my own, don't wanna be alone,
I have hearts for Will, he's gonna help me kill

But I keep plotting,
Can't stop, won't stop garrotting.
It's like I got this poet in my tum,
Saying this is such a lotta fun

Cause the Feebies gonna look, look, look, look, look
And Hanni's gonna cook, cook, cook, cook, cook
Willy I'm just gonna bake, bake, bake, bake, bake
I bake it off, I bake it off
Heartrippers gonna rip, rip, rip, rip, rip
And the shippers gonna ship, ship, ship, ship, ship
Willy I'm just gonna bake, bake, bake, bake, bake
bake it off, I bake it off

I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off

Niet, no, non
Just think while you've been getting lost in some one else's boring scene
Well you're just missing out, say that it's true, cos my designs a dream

Will, Your ex is RUDE, she just is too crude
She's so like 'but he's a killer right?' Yeah I'm just gonna bake it
And I'm the fella over there with the hella good hair
So you better push off now, we're gonna bake, bake, bake

Cause the Feebies gonna look, look, look, look, look
And Hanni's gonna cook, cook, cook, cook, cook
Willy I'm just gonna bake, bake, bake, bake, bake
bake it off, I bake it off
The Ripper's gonna rip, rip, rip, rip, rip
And the shippers gonna ship, ship, ship, ship, ship
Willy I'm just gonna bake, bake, bake, bake, bake
bake it off, I bake it off

I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off
I, I bake it off, I bake it off

Repeat.
